# How to use this directory

---

## Choosing a Primary Care Physician (PCP)

Apple Health members need a primary care provider (PCP). There are several types of PCPs in this directory. Each covered family member may choose a different PCP in UnitedHealthcare Community Plan. Except in an emergency, your PCP and staff will give or manage all your health care. This includes referrals to specialists. PCPs may be family or general practitioners, internists, pediatricians, or other providers approved by UnitedHealthcare Community Plan.

## Changing your PCP

If you want to change your PCP, call Member Services. They will help you pick a new PCP. You may change your PCP during the year. You may also contact a provider to find out if the provider contracts with UnitedHealthcare Community Plan. When you call, be sure to mention UnitedHealthcare Community Plan. Ask if the provider is taking new patients.

## Seeing another doctor or specialist

Your PCP might want you to go to a specialist. A specialist is a doctor who treats a special problem, like a dermatologist or a heart doctor. Your doctor will help you find the right specialist. If you have a complex illness, you may need to see the specialist many times. You may see your specialist as often as needed. If you have complex care needs, a specialist can be your PCP. If you need this, call Member Services. We will help you find a specialist who can meet your needs.

## Gender affirming treatment

We cover primary care, hormone therapy, speech therapy, and mental health services. If you need assistance accessing one of these services, contact your plan to request a list of providers. The number can be found on the back of your member ID card.

Other gender-affirming treatments are covered directly by Apple Health fee-for-service and not by your managed care plan. To find a list of providers for other gender affirming treatments, including surgeries and hair removal, email [applehealth.transhealth@hca.wa.gov](mailto:applehealth.transhealth@hca.wa.gov).

You can find more information about Apple Health transhealth benefits online at the Transhealth program webpage: <http://www.hca.wa.gov/transhealth>.

# Women's health care services

If you are female, you may want to see a provider in our network who offers women's health care. You can get these services from an in-network women's health care provider without a PCP referral.

These women's health services are covered without a PCP referral or health plan preauthorization:

- Maternity care, including prenatal, delivery, and postnatal care
- Routine gynecological exams
- Examination and treatment of disorders of the female reproductive system
- Other health problems treated during a woman's health care visit, if the treatment is within the provider's scope of practice and the service is not excluded

If you need to see a women's health provider who is not in our network, you must get a referral from your PCP.

## Telehealth

Telemedicine appointments may be available through your provider including video or audio-only services via phone permitting real-time communication between the patient and healthcare professional for the purposes of diagnosis, consultation, or treatment. Please contact your provider to determine what telemedicine services may be available.

Beginning January 1, 2023 for audio-only telemedicine services, the covered person must have an established relationship with the provider or has been referred by another provider who has had at least one in-person appointment within the past three years for behavioral health treatment and two years for medical treatment, or at least one real-time interactive appointment using both audio and video technology until July 1, 2024 (July date only applies to medical treatment).

## Behavioral health services

As a UnitedHealthcare Community Plan member, you're eligible for behavioral health services, including mental health and substance use disorder treatment services. Mental health providers are listed in this provider directory. They can help you with personal problems that may affect you and/or your family. These problems may be stress, depression, anxiety or using drugs or alcohol.

Apple Health members get behavioral health or substance use disorder treatment services through any of the below:

- Your primary care provider (PCP)
- A Community Mental Health Center or substance use disorder agency
- Another behavioral health provider

Talk to your PCP today about any health or behavioral health problems you have. Your PCP will refer you to a behavioral health provider with UnitedHealthcare Community Plan. They can refer you to specialists, and other facilities, such as hospitals and substance use and treatment services. Your PCP will stay involved with you through the stages of recovery: Health, Home, Purpose and Community.

Apple Health members and Behavioral Health Services Only members get these behavioral health and substance use disorder benefits:

- Evaluation and assessment
- Medication management and monitoring
- Individual and group counseling
- Peer support
- Family counseling
- Substance use disorder services
- Education about mental health, treatments and medications
- Rehab case management
- Withdrawal management (detox)
- Opiate replacement treatment
- Case management
- And more

**You don't need a referral from your PCP to see behavioral health specialists in your plan.**

## Out-of-network providers

You or your PCP might decide that you need to see a doctor or provider that is not in our network. Your PCP will need to call us for an okay for these services before they will be covered. This is called a Prior Authorization.

## Pharmacy

For locations of pharmacies, call Member Services at **1-877-542-8997**, TTY **711**. Behavioral Health Services Only members will have access to their pharmacy benefit through their medical carrier.

## What if I need medical care when I am out of town?

We will pay for routine care out-of-area only if:

- You need to obtain family planning services. You can self-refer to in-network or out-of-network providers.
- You call your PCP first and he or she says that it is important that you get care before you return home
- Your PCP must then call us to get approval
- If you do not speak to your PCP before you get routine care when you are away from home, you may have to pay for care yourself. If you cannot reach your PCP, call Member Services.
- Any doctor you see must agree to accept Washington Medicaid payment as payment in full

This means if you or your family members are on vacation and need routine care, we will pay only if you get our approval first. If you need emergency care when you are out of town, go immediately to the nearest Emergency Room (ER) or urgent care facility. You do not need a referral from your PCP. Call your PCP as soon as you can after getting ER or urgent care services.

## No medical coverage outside of the United States

Any health care services you get while out of the country will not be covered by UnitedHealthcare Community Plan. Medicaid cannot pay for any medical services you get outside of the United States.

## Language help

We can give you member materials in a language or format that is easier for you to understand. We have interpreters if your doctor does not speak your language. This is free when you talk to us or your doctors. If you do not speak English and need help, call Member Services at **1-877-542-8997**, TTY **711**.

## Emergency care

In an emergency, you do not need a prior authorization. Call 911 or go to the nearest emergency room. You can get emergency care 24 hours a day, 7 days a week.

## Reporting incorrect information

To report incorrect information, email [provider\\_directory\\_invalid\\_issues@uhc.com](mailto:provider_directory_invalid_issues@uhc.com).

This email is for members to report potential inaccuracies for demographic (address, phone, etc.) data elements identified on the online or paper directories. Reporting issues via this email will result in an outreach to the provider's office to verify all directory demographic data.

Individuals can also report potential inaccuracies via phone. UnitedHealthcare Community Plan members should call the number on the back of their member ID card. Non-UnitedHealthcare Community Plan members can call **1-888-638-6613**.

Providers should go to [UHCprovider.com/portal](https://UHCprovider.com/portal) to use the My Practice Profile tool in the UnitedHealthcare Provider Portal under the Practice Management drop-down. Contractual issues should be addressed through your UnitedHealthcare Network contact at [UHCprovider.com/contactus](https://UHCprovider.com/contactus).

## 네트워크 외 진료 제공자

귀하 또는 귀하의 PCP는 귀하가 네트워크에 소속되지 않은 의사 또는 진료 제공자의 진찰을 받을 필요가 있다고 결정할 수 있습니다. 귀하의 PCP가 저희에게 전화하여 승인을 받아야 이러한 서비스에 대한 혜택 적용을 받을 수 있습니다. 이를 사전 승인이라고 합니다.

# 약국

약국 위치는 회원 서비스에 **1-877-542-8997**, TTY **711**번으로 전화하십시오. Behavioral Health Services Only 회원은 의료 보험사를 통해 약국 혜택을 이용할 수 있습니다.

## 지역 밖에 있을 때 의료 진료가 필요한 경우 어떻게 합니까?

저희는 다음의 경우에만 지역 외에서의 정기적인 진료에 대한 비용을 지불할 것입니다.

- 귀하가 가족 계획 서비스를 받을 필요가 있는 경우. 스스로를 네트워크 내 또는 네트워크 외 진료 제공자에게 추천할 수 있는 경우.
- 귀하가 PCP에게 먼저 전화하였는데, PCP는 귀하가 집으로 돌아가기 전에 진료를 받는 것이 중요하다고 말하는 경우.
- 그러면 귀하의 PCP가 저희에게 전화하여 승인을 받아야 합니다.
- 지역 밖에 있을 때 정기 진료를 받기 전에 PCP와 상의하지 않을 경우, 귀하가 직접 진료 비용을 지불해야 할 수 있습니다. 귀하의 PCP에게 연락을 할 수 없는 경우, 회원 서비스로 전화하십시오.
- 귀하를 진료하는 의사는 Washington 메디케이드(Medicaid) 지불을 전액 지불로 수락하는 데 동의해야 합니다.

이는 귀하 또는 귀하의 가족이 휴가 중인데 정기적인 진료가 필요한 경우, 귀하가 먼저 승인을 받는 경우에만 저희가 비용을 지급할 것임을 의미합니다. 지역 밖에 있을 때 응급 진료가 필요한 경우, 즉시 가장 가까운 응급실(Emergency Room, ER) 또는 긴급 진료 시설로 가십시오. 귀하의 PCP로부터 의료추천서를 받을 필요는 없습니다. ER 또는 긴급 진료 서비스를 받은 후 가능한 한 빨리 귀하의 PCP에게 전화하십시오.

## 미국 이외 지역에서 의료 혜택 적용 없음

국외에서 받는 의료 서비스는 UnitedHealthcare Community Plan에서 혜택을 적용하지 않습니다. 메디케이드(Medicaid)는 귀하가 미국 외 지역에서 받는 의료 서비스에 대해 비용을 지불할 수 없습니다.
